

## Your Partner in Professional Web Design, Hosting, Mobile App and Google Workspace Email Solutions

At **Amped Innovation Group**, we're dedicated to delivering tailored web solutions that drive growth and professionalism. Our WordPress web design services are crafted to suit the unique needs of your business, ensuring a powerful online presence that resonates with your brand.

### Web Design Services (New Sites / Site Refresh)

Our WordPress web design services are tailored to meet the unique needs of your business. We offer:

- **Landing Page Microsite:**  
A sleek, single-page site perfect for showcasing essential information.
- **Tax Office Website:**  
A multi-page site designed specifically for tax offices, ensuring your services are highlighted professionally.
- **Service Bureau Website:**  
A comprehensive website with advanced functionality suited for service bureaus.

*All design packages include the first year of hosting.*

### Web Site Annual Maintenance and Hosting Service

Reliable, secure, and scalable hosting options for your website:

- **Landing Page Microsite**
- **Tax Office / Service Bureau Subsite**
- **Service Bureau**

Each hosting package includes 2 hours of content updates annually. Additional updates are available to keep your site fresh and up-to-date.

*Free migration of existing WordPress site to our hosting service.*

### Mobile/Web Apps

Branded mobile tax app for your business:

- **Mobile App Full**
- **Mobile App Lite**
- **WebTax App**

### Email Hosting Service

We support professional email hosting through **Google Workspace** offering:

- Gmail with a custom domain
- Access to all Google Workspace apps and features for seamless collaboration

*Email setup, migration, and ongoing support are available.*
